RAISE THE BAR PROJECT

Raise the Bar is our community engagement program designed to make long term connections between our venues and retail outlets and the greater community.

There are several different ways in which we can help community groups achieve their fundraising goals and increase participation within their organisations.

Some of these include our spending rebate plan, community tap program, access to in-venue raffles, volunteer support vouchers, in-venue promotion of events, just to name a few.

We are also happy to discuss any other ideas that might be of benefit.

The program is open to any groups in the community, large and small, established or brand new, sporting or otherwise.

For more information, please feel free to contact us.
